

Living Streamside

Guide to Designing your Property and Protecting our Watershed

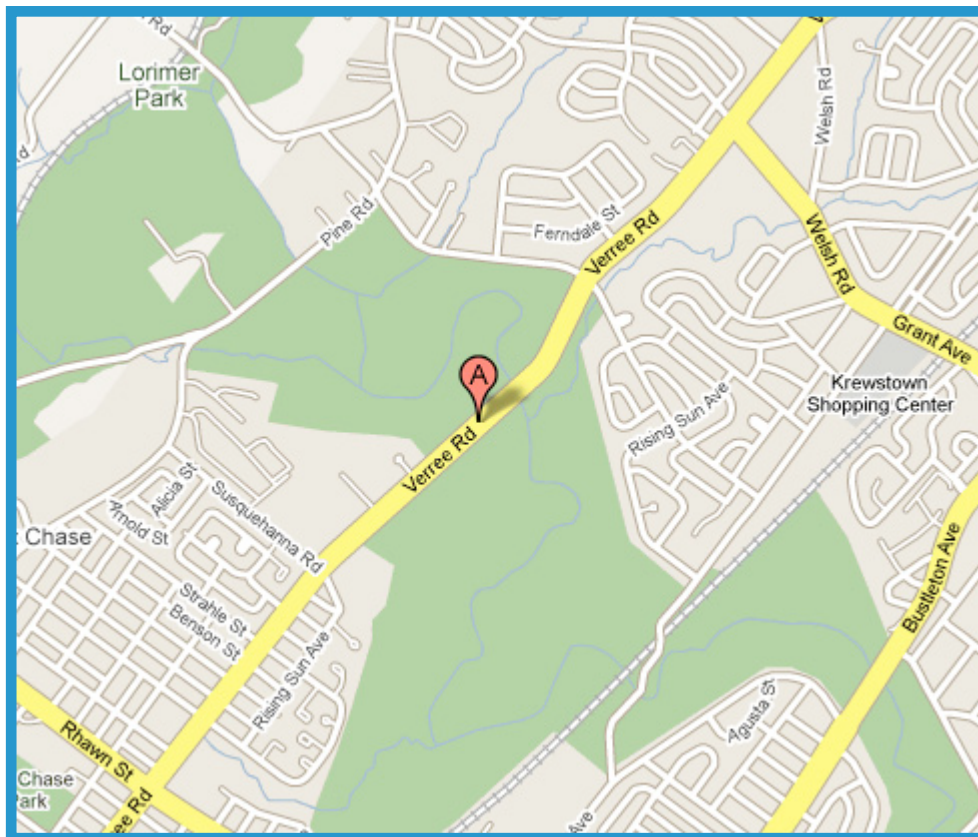

BACKYARD BUFFERS PROGRAM

As part of the Philadelphia Water Department's Backyard Buffer Program
you are invited to **the *FREE* Living Streamside Workshop!**

Date: July 22, 2009

Time: 6:30-9:00 PM

Location: Pennypack Environmental Center
8600A Verree Road,
Philadelphia, PA 19115

Pennypack Environmental Center website:
<http://www.fairmountpark.org/PennypackEC.asp>

****You don't have to live alongside a creek or stream to attend this event. The workshop will provide environmentally friendly landscape designs and guidance focused on stormwater issues, streambank erosion and general "green" landscaping practices.**
